D. IMPORT OF WILDLIFE SAMPLES (*Appendix I of CITES and/or ESA*)

Please provide the following information on separate paper.

1. For EACH animal or item to be shipped (include additional sheets as needed):
 - a. Common and scientific names;
 - b. Quantity;
 - c. Birth or hatch date;
 - d. Sex, if known;
 - e. Description (e.g., tattoo#, band #, ISIS #, studbook #, other identifying features);
 - f. Country where the animal was acquired; and
 - g. Current location of the sample (address and country).
2. Do you anticipate needing to import samples in more than one shipment and over more than 1 year?
3. For samples that will be or were **collected from animals in the wild**, provide:
 - a. Specific location of where, when, and by whom the animal was captured or removed from the wild or the samples were collected from the wild animal;
 - b. A description of the method(s) of collection, including previous results using this methodology;
 - c. The qualifications of the individuals collecting the samples; and
 - d. A copy of any permits or other documents from the foreign wildlife authorities or responsible agency authorizing the collection, capture, and/or removal from the wild.
4. For samples that will be or were **collected from wild born, captive-held animals**, provide:
 - a. Specific location of where, when, how, and by whom (name, address, and expertise) the animal was removed from the wild.
 - b. The purpose of removing the animal from the wild, length or approximate length of time the animal has been held in captivity, and current location (including a history of where the animal has been maintained in captivity).
5. For samples that were **collected from animals born in captivity**, provide documentation that the individual animal is the offspring of parents that mated in captivity (i.e., ISIS record or signed and dated statement, including the full name and address, from the breeder). Documents must include birth or hatch date, and sex of the animals from which samples were collected. *Be sure to correlate each document to each specific sample.*
6. Are samples being collected incidental to another activity, such as a routine exam or some other research? If so, who are you working with and what is their experience?
7. What are the method(s) of collection? If samples have been collected by this same method previously, what were the results (please reference scientific literature)?
8. What are the qualifications of the individuals collecting the samples? For example, provide information on training and previous experience in applicable blood or tissue sample collection.
9. Do you expect your proposed activities will result in a loss of animals or disturbance of normal behavior of an animal? Please explain.
10. What previous work/research has been done using this species? How will this work differ or compliment previous work/research (Please reference scientific literature)?
11. For CITES **Appendix-I specimens**, provide information to show the import is not for primarily commercial purposes as outlined in Resolution Conf. 5.10 (copy enclosed).
12. List the **U.S. port** through which the import will occur. If no port is indicated, import must be through a designated port (see enclosed list).

Additionally for ESA listed species:

13. Explain the purpose of the import and provide a description of how the proposed activities will benefit the species in the wild.

PERMIT APPLICATION FORM INSTRUCTIONS

The following instructions pertain to the standard License/Permit Form 3-200 that must be completed as an application for a U.S. Fish and Wildlife Service permit. The General Permit Procedures in 50 CFR 13 address the permitting process.

- * Complete all appropriate blocks/lines. Print clearly or type in the information. *A complete application prevents delays!*
- * Sign the application *in ink* and send an *original* to the address on the top of the application. Faxed copies will not be accepted.
- * Applications will be processed in the order they are received.

Most of the application form is self-explanatory, but the following provides some further assistance for completing the form.

COMPLETE EITHER BLOCK A OR BLOCK B:

- Block A. **"Complete if applying as an individual"** - Enter the complete name of the responsible party who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. All blocks must be completed. If you are applying on behalf of a client, the personal information must pertain to the client. A notarized document stating power of attorney must be included with the application.
- Block B. **"Complete if applying as a business, corporation, public agency or institution"** - Enter the complete name and address of the business, agency or institution who will be the permittee if a permit is issued. Give a brief description of the type of business the applicant is engaged in, the name and phone number of the person in charge, and if the company is incorporated, the state in which it was incorporated.

ALL APPLICANTS COMPLETE BLOCK C:

- Block C.1 **"Do you currently have or have you had any Federal Fish and Wildlife license or permit?"** - List the number of any FWS or CITES permits. If applying for a renewal, the original permit must be returned with this application.
- Block C.2 **"Have you obtained any required state or foreign government approval to conduct the activity you propose?"** - If the proposed activity is regulated, check the appropriate box. If "yes," list the State or foreign countries involved and type of document required. Include a copy of these documents with the application. If "no" indicate what steps you have taken to secure approval (use attachment if necessary). If the proposed activity is not regulated check "not required".
- Block C.3 **"Attachments"** - Consult the fact sheet or regulation. Provide any required additional information outlined on the supplemental page(s) of the application form. Be as complete and descriptive as possible. If there is any doubt as to the information's relevance, include it with the application. An incomplete or unclear application may cause delays in processing.
- Block C.4 **"Check or money order (if applicable)"** - There is a permit processing fee unless you are fee exempt. Consult the enclosed APPLICATION PROCESSING FEE information. Make the check or money order payable to the "U.S. Fish and Wildlife Service" and attach it to the application form. If you are fee exempt, write "exempt" in this space.
- Block C.5 **"CERTIFICATION"** - The **individual applicant in Block A, the person named in Block B, or person with power of attorney must sign and date** the application in ink. This signature binds that person to the statement of certification. This means that you certify that you read and understood the regulations that apply to the permit. You also certify that everything included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application before signing.

APPLICATION FOR A FEDERAL FISH AND WILDLIFE LICENSE/PERMIT
Paperwork Reduction Act and the Privacy Act – Notices

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, et seq.) and the Privacy Act of 1974 (5 U.S.C. 552a), please be advised that:

1. The gathering of information on fish and wildlife is authorized by:
 - (a) Bald Eagle Protection Act (16 U.S.C. 663a);
 - (b) Endangered Species Act of 1973 (16 U.S.C. 1539);
 - (c) Migratory Bird Treaty Act (16 U.S.C. 703-711);
 - (d) Marine Mammal Protection Act of 1972 (16 U.S.C. 1371-1383);
 - (e) Wild Bird Conservation Act (16 U.S.C. 4901-4916);
 - (f) Lacey Act (18 U.S.C. 42 & 44);
 - (g) Convention on International Trade in Endangered Species of Wild Flora and Fauna (TIAS 8249);
 - (h) Title 50, Part 10, of the Code of Federal Regulations;
 - (i) Title 50, Part 13, of the Code of Federal Regulations;
 - (j) Title 50, Part 14, of the Code of Federal Regulations;
 - (k) Title 50, Part 17, of the Code of Federal Regulations;
 - (l) Title 50, Part 21, of the Code of Federal Regulations;
 - (m) Title 50, Part 22, of the Code of Federal Regulations; and
 - (n) Title 50, Part 23, of the Code of Federal Regulations.
2. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for licenses or permits authorized under the above acts. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny a permit. Response is not required unless a currently valid Office of Management and Budget (OMB) control number is displayed.
3. Certain applications for permits authorized under the Endangered Species Act of 1973 (16 U.S.C. 1539) and the Marine Mammal Protection Act of 1972 (16 U.S.C. 1371-1383) will be published in the Federal Register as required by the two acts.
4. Routine use disclosures may also be made:
 - (a) To the U.S. Department of Justice when related to litigation or anticipated litigation;
 - (b) Of information indicating a violation or potential violation of a statute, regulation, rule, order or license to appropriate Federal, State, local or foreign agencies responsible for investigation or prosecuting the violation or for enforcing or implementing the statute, rule, regulations, order or license;
 - (c) From the record of an individual in response to an inquiry from a Congressional office made at the request of that individual (42 FR 1903; April 11, 1977);
 - (d) To subject matter experts, and State and other Federal agencies, for the sole purpose of obtaining advice relevant to issuance of the permit.
5. For individuals, personal information such as home address and telephone number, financial data, and personal identifiers (social security number, birth date, etc.) will be removed prior to any release of the application.
6. The public burden for this information collection varies depending on the activity for which a permit is requested. The relevant burden for Import of Wildlife Samples (Appendix-I of CITES and/or ESA) application is one (1) hour. This burden estimate includes time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, Mail Stop 222, Arlington Square, U.S. Department of the Interior, 1849 C Street, NW, Washington D.C. 20240.

Freedom of Information Act – Notice

For organizations, businesses, or individuals operating as a business (*i.e.*, permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.13(c)(4), 43 CFR 2.15(d)(1)(i)].

APPLICATION PROCESSING FEE

The fee to process an Import of Wildlife Samples (Appendix-I of CITES and/or ESA) application is \$25.00. Checks should be made payable to "U.S. Fish and Wildlife Service." The fee applies to new permit applications, renewals, and amendments. The processing fee shall not be refunded if the permit is issued or denied, or if the application is abandoned. The fee schedule does not apply to any Federal, State, or local government agency or individual or institution under contract to such agency for the proposed activities. Until further notice, the fee will be waived for public institutions. As defined in 50 CFR 10.12 - "Public as used in referring to museums, zoological parks, and scientific or educational institutions, refers to such as are open to the general public and are either established, maintained, and operated as a governmental service or are privately endowed and organized but not operated for profit."
