D. REGISTRATION OF APPENDIX-I COMMERCIAL BREEDING OPERATIONS (CITES)

Please provide the following information. If needed, use a separate sheet of paper. On all attachments or separate sheets you are submitting, be sure to correlate your answer with the question number you are referencing on the application. If possible, it would be helpful if you could also send your response electronically. This would allow for a more expedited response to the CITES Secretariat.

1. Name and address of the owner and manager of the captive-breeding operation.
2. Date of establishment.
3. Scientific name and common name of the Appendix-I species being bred.
4. Complete description of the parental breeding stock including:
 - a. Total number and sex ratio of individuals that comprise the parental breeding stock.
 - b. Age, sex, identification (such as band or tag numbers, transponders, or distinguishing marks), and origin of parents (that is, wild-caught or captive-bred) of each specimen.
 - c. Evidence of legal acquisition of each specimen, including receipts, CITES documents, capture permits, etc. Please refer to 23.50(f) (copy enclosed).
5. Current stock (number, by sex and age, of specimens held in addition to breeding stock).
6. Information on the percentage of mortalities experienced in the last 10 years and, where possible, on the percentage mortalities in the different age groups and between males and females in the same time period.
7. Documentation showing that the species has been reliably bred to second generation offspring (F2) at the operation and a description of the methods used.
8. If the operation has only bred the species to the first generation (F1), documentation showing that the husbandry methods used are the same as, or similar to, those that have resulted in second-generation offspring elsewhere.
9. Past (going back 10 years), current and expected annual production of offspring and, where possible, information on:
 - a. the number of females producing offspring each year; and
 - b. unusual fluctuations in the annual production of offspring (including an explanation of the probable cause).
10. An assessment of the anticipated need for, and source of, additional specimens to augment the breeding stock to increase the genetic pool of the captive population in order to avoid any deleterious inbreeding.
11. Contingency measures for the safe disposal of captive stock in the event that the operation is closed.
12. Type of wildlife product you plan to export (such as live, skins, hides, other parts, or products).
13. Detailed description of the marking methods (e.g. bands, tags, transponders, branding, etc.) used for the breeding stock and offspring and for the types of specimens to be exported (e.g. skins, meat, live animals, etc.).
14. Description of the inspection and monitoring procedures used by local, State, and/or Federal authorities to confirm the identity of the breeding stock and offspring.
15. Description of the facilities to house the current and expected captive stock, including security measures used by operation to prevent escapes and/or thefts. If applicable, please provide information on how holding facilities are in compliance with local, State, and Federal regulations for housing, husbandry and security of specimens. Detailed information should be provided on the number and size of breeding and rearing enclosures, egg incubation capacity, food production or supply, availability of veterinary services and record-keeping.

16. Description of the strategies used by the breeding operation, or other activities, that contribute to improving the conservation status of wild population(s) of the species.
17. Assurance that the operation shall be carried out at all stages in a humane (non-cruel) manner (for example, in accordance with local, State, or Federal governmental ordinances and/or guidelines developed by professional societies or non-governmental organizations).
18. Address where you wish correspondence mailed (if different than page 1):
_____.
19. If you wish the correspondence to be mailed other than by regular mail, provide air bill, pre-paid envelope, or billing information _____.
20. Who should we contact if we have questions about the application? (Include name, phone number, and email):
_____.

PERMIT APPLICATION FORM INSTRUCTIONS

The following instructions pertain to the standard permit form 3-200 that must be completed as an application for a U.S. Fish and Wildlife Service or CITES permit. The General Permit Procedures in 50 CFR 13 address the permitting process. For simplification, all licenses, permits, registrations, and certificates will be referred to as a permit.

- Complete all appropriate blocks/lines/questions in Sections A OR B, and C and D. **Print clearly or type in the information.** An incomplete application may cause delays in processing or may be returned to the applicant. Note: if a field is "grayed in", no answer is required.
- Sign the application in blue ink and send the original to the address at the top of the application. Faxes or copies of the original signature will not be accepted.
- Please plan ahead. Allow at least 60 days for your application to be processed (50 CFR 13.11). However, some applications may take longer than 90 days to process. Applications are processed in the order they are received.
- Additional forms and instructions are available from <http://permits.fws.gov/>.

Most of the application form is self-explanatory, but the following provides some assistance for completing the form.

COMPLETE EITHER SECTION A OR SECTION B:

- Section A. **"Complete if applying as an individual"** - Enter the complete name of the responsible individual who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. All blocks must be completed. **If you are applying on behalf of a client, the personal information must pertain to the client; and a document evidencing power of attorney must be included with the application.**
- Section B. **"Complete if applying as a business, corporation, public agency, or institution"** - Enter the complete name and address of the business, agency or institution that will be the permittee if a permit is issued. Give a brief description of the type of business the applicant is engaged in, the name and phone number of the person in charge (i.e., principal officer), and if the company is incorporated, the State in which it is incorporated.

ALL APPLICANTS COMPLETE SECTION C:

- Section C.1 **"Do you currently have or have you had any Federal Fish and Wildlife permits?"** List the number(s) of your most current FWS or CITES permit or the number of the most recent permit if none are currently valid. If applying for a renewal of a CITES permit, the original permit must be returned with this application.
- Section C.2 **"Have you obtained all required State, Federal or foreign government approval to conduct the activity you propose?"** (Please be aware that there may be other requirements necessary to conduct this activity such as a hunting license, import permit, or collection permit.) If "yes," list the state, Federal or foreign countries involved and type of document required. Include a copy of these documents with the application. If you have applied for the documents, check the "have applied" box and list the state, Federal or foreign countries involved and type of documents required. If the proposed activity is not regulated check "not required."
- Section C.3 **"Check or money order (if applicable)"** There is an application processing fee unless you are applying as a Federal, State or tribal government agency or you are an individual or institution under contract to such agency for the proposed activities. (See [50 CFR 13.11\(d\)\(3\)](#) for fee schedule.) Proof of status as a Federal, State or tribal government agency or contractor to such agency should accompany your application. The application processing fee is assessed to partially cover the cost of processing a request. The fee does not guarantee the issuance of a permit. It will not be refunded regardless of whether a permit is issued, abandoned, or denied. See the accompanying section APPLICATION PROCESSING FEE for the fee to process this application. Make your check or money order payable to the "U.S. Fish and Wildlife Service" and attach it to the application form.
- Section C.4 **"CERTIFICATION"** **The individual identified in Section A, the principal officer named in Section B, or person with a valid power of attorney (documentation must be included in the application) must sign and date the application in blue ink.** This signature binds the applicant to the statement of certification. This means that you certify that you have read and understand the regulations that apply to the permit. You also certify that everything included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application and your answers before signing.

ALL APPLICANTS COMPLETE SECTION D:

Provide any required additional information outlined in Section D. of the application form. Be as complete and descriptive as possible. If there is any doubt as to the information's relevance, include it with the application. Please do not send videotapes or DVDs.

APPLICATION FOR A FEDERAL FISH AND WILDLIFE PERMIT

Paperwork Reduction Act and the Privacy Act – Notices

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, *et seq.*) and the Privacy Act of 1974 (5 U.S.C. 552a), please be advised that:

1. The gathering of information on fish and wildlife is authorized by:
 - a. Bald and Golden Eagle Protection Act (16 U.S.C. 668), Title 50 Part 22 of the Code of Federal Regulations (CFR);
 - b. Endangered Species Act of 1973 (16 U.S.C. 1531-1544), Title 50 CFR Part 17;
 - c. Migratory Bird Treaty Act (16 U.S.C. 703-712), Title 50 CFR Part 21;
 - d. Marine Mammal Protection Act of 1972 (16 U.S.C. 1361, *et. seq.*), Title 50 CFR Part 18;
 - e. Wild Bird Conservation Act (16 U.S.C. 4901-4916), Title 50 CFR Part 15;
 - f. Lacey Act (18 U.S.C. 42); Injurious Wildlife, Title 50 CFR Part 16;
 - g. Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249); Title 50 CFR Part 23.
 - h. General Provisions, Title 50 CFR Part 10;
 - i. General Permit Procedures, Title 50 CFR Part 13; and
 - j. Wildlife (Import/export/transport), Title 50 CFR Part 14.
2. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. Response is not required unless a currently valid Office of Management and Budget (OMB) control number is displayed.
3. Certain applications for permits authorized under the Endangered Species Act of 1973 (16 U.S.C. 1539) and the Marine Mammal Protection Act of 1972 (16 U.S.C. 1374) will be published in the **Federal Register** as required by the two laws.
4. Routine use disclosures outside the Department of the Interior may be made without the consent of an individual if the disclosure is compatible with the purposes for which the record was collected. (Ref. 68 FR 52611, September 4, 2003) Disclosures outside the DOI may be made under the routine uses listed below without the consent of the individual if the disclosure is compatible with the purposes for which the record was collected.
 - a. To subject matter experts, and State, Federal, local, and foreign agencies, for the purpose of obtaining advice relevant to making a decision on an application for a permit or when necessary to accomplish a FWS function related to this system of records.
 - b. To the public as a result of publishing Federal Register notices announcing the receipt of permit applications for public comment or notice of the decision on a permit application.
 - c. To Federal, State, local, or foreign wildlife and plant agencies for the exchange of information on permits granted or denied to assure compliance with all applicable permitting requirements.
 - d. To Captive-bred Wildlife registrants under the Endangered Species Act for the exchange of authorized species, and to share information on the captive breeding of these species.
 - e. To Federal, State, and local authorities who need to know who is permitted to receive and rehabilitate sick, orphaned, and injured birds under the Migratory Bird Treaty Act and the Bald and Golden Eagle Protection Act; federally permitted rehabilitators; individuals seeking a permitted rehabilitator with whom to place a sick, injured, or orphaned bird in need of care; and licensed veterinarians who receive, treat, or diagnose sick, orphaned, and injured birds.
 - f. To the Department of Justice (DOJ), or a court, adjudicative, or other administrative body or to a party in litigation before a court or adjudicative or administrative body, under certain circumstances;
 - g. To the appropriate Federal, State, tribal, local, or foreign governmental agency responsible for investigating, prosecuting, enforcing, or implementing statutes, rules, or licenses, when we become aware of a violation or potential violation of such statutes, rules, or licenses, or when we need to monitor activities associated with a permit or regulated use.
 - h. To a congressional office in response to an inquiry to the office by the individual to whom the record pertains.
 - i. To the General Accounting Office or Congress when the information is required for the evaluation of the permit programs.
 - j. To provide addresses obtained from the Internal Revenue Service to debt collection agencies for purposes of locating a debtor to collect or compromise a Federal claim against the debtor, or to consumer reporting agencies to prepare a commercial credit report for use by the FWS.
5. For individuals, personal information such as home address and telephone number, financial data, and personal identifiers (social security number, birth date, etc.) will be removed prior to any release of the application.
6. The public reporting burden on the applicant for this information collection varies depending on the activity for which a permit is requested. The relevant burden for this permit application is **40 hour(s)**. This burden estimate includes time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, Mail Stop 222, Arlington Square, U.S. Department of the Interior, 1849 C Street, NW, Washington D.C. 20240.

Freedom of Information Act – Notice

For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.13(c)(4), 43 CFR 2.15(d)(1)(i)].

Application Processing Fee

The fee to process this application is \$25. Checks should be made payable to "U.S. Fish and Wildlife Service." Fees for renewals and amendments may vary; see fee schedule at 50 CFR 13.11(d)(4). The processing fee will not be refunded regardless of whether a permit is issued, abandoned, or denied. The fee schedule does not apply to any Federal, State, or tribal government agency or individual or institution under contract to such agency for the proposed activities.
